Product Description

Wind Cooling Projector Housing The Ultimate Cooling Solution for Your Business

Description:

All units are designed to operate on a 220V/50Hz electrical system (modifiable for different countries) and come with an IP65 waterproof rating. They feature precise temperature and humidity control, ensuring a constant climate. These units are engineered to perform reliably in a wide temperature range, from as low as -50 degrees Celsius to as high as 50 degrees Celsius. For applications near the coast, we offer customized corrosion-resistant enclosures.

Specification:
