

Ip65 Certification Outdoor Projector Shell Waterproof Moistureproof And Dustproof

Our Product Introduction

for more products please visit us on projector-cabinet.com

Basic Information

- Minimum Order Quantity: 5
- Payment Terms: T/T

Product Specification

- Dimensions: 12 X 10 X 8 Inches
- Built-In Fan: Yes
- Noise Level: Low
- Ventilation: Efficient
- Compatibility: Universal
- Support Type: OEM
- Material: Galvanized Steel
- Weight: 2.5 Pounds
- Application: Outdoor Usage
- Place Of Origin: Guangdong, China
- Brand Name: Shirui
- Model Number: HC20K
- Chemical Composition: Outdoor Powder Paint

Ambient Temperature	-15 to 50 degree (5-122)
Ambient Humidity	0-100%
Temperature Control	5-40°C
Humidity Control	10-80%
Voltage and Frequency	220V-50HZ

Foreign customers come to visit the factory to buy products.

Packaging & Shipping

To better ensure the safety of your goods, professional, environmentally friendly, convenient and efficient packaging services will be provided.

Company Information

"Our outdoor projector housings are made of high-quality panels, coated with rust-proof and corrosion-

resistant treatment on the surface. They feature functions such as waterproof, dustproof, moisture-proof, corrosion-resistant, constant temperature and humidity control, cooling, dehumidification, and heating. The products can be applied in outdoor cultural tourism, city night tours, advertising, exhibitions, and other fields, protecting projectors for safe operation in harsh outdoor environments and extending the product lifespan.

Our outdoor projector housing products have passed IP65, IP66, POHS, and EMC tests, demonstrating stable performance and excellent quality. We also offer personalized customization services, tailoring outdoor projector housing products and solutions according to customer needs and requirements.

Within our business scope, we have cooperated with major projector distributors such as Optoma, Panasonic, Barco, Christie, Autocue, Leyard, Epson, NEC, Christie Digital, Hisense, Sim2, ViewSonic, and Vivitek, providing them with solutions for various outdoor projection projects. Our professional team has extensive experience and technology to offer customers comprehensive technical support and services."

Our Services

We have a professional R&D team and advanced production equipment, dedicated to providing customers with high-quality, high-performance outdoor projector housing products and solutions.
