

Ultra-Short Throw Outdoor Indoor Projector Enclosure Thermostat IP65 Corridor Pavilion With Smart Dust-Proof

Our Product Introduction

for more products please visit us on projector-cabinet.com

Basic Information

- Minimum Order Quantity: 5
- Price: Negotiation
- Payment Terms: T/T

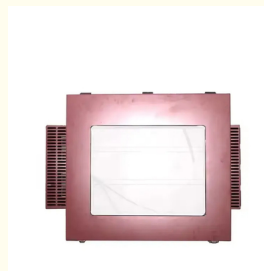

Product Specification

- Fan Type: Built-in
- Built-In Fan: Yes
- Noise Level: Low
- Ventilation: Efficient
- Product Type: Projector Cabinet
- Weight: 2.5 Pounds
- Oem Support: Yes
- Compatibility: Universal
- Highlight: Ultra-Short Throw Projector Enclosure, Outdoor Indoor Projector Enclosure, Smart Dust-Proof Projector Enclosure

Product Description

WhatsApp:+86 151 2090 9824**Product Description**

1. The biggest advantage of the ultra-short focus projector is that it can project a large picture in a short distance (tens of centimeters or several centimeters). Compared with the conventional projector that can only be installed in the middle of the roof, it has the advantages of saving space and convenient installation, as long as it is placed near the wall.

2.The industrial silent fan is used to fan the heat, and the hot air in the box body is pumped out while the fresh air is sucked in by the air inlet to form a circulation effect, so that the heat discharged by the projector in the box body is reduced, and the heating module is used to remove the fog of glass beads and dehumidify.

Outdoor Projector Enclosures Example**Product Usage**

Specification	
item	value
Place of Origin	China
	Shenzhen, Guangdong
Brand Name	thisshirui
Cabinet Standard	According to customer's request
Protection Level	IP65
Type	Outdoor projector housing
External Size	can customize
Material	Powder paint
Type	Equipment Enclosure
Product Name	Outdoor projector housing
Material	Galvanized sheet
Surface treatment	Powder paint
Application	Outdoor Projector box
Function	climate control
Custom Service	Offerable
Feature	OEM ODM Support
Color	Accept Customized
IP Rating	IP66Waterproof Box
Ambient Temperature	-15 to 50 degree (5-122)
Ambient Humidity	0-100%
Temperature Control	5-40°C
Humidity Control	10-80%
Voltage and Frequency	220V-50HZ

Production process materials**Foreign customers come to visit the factory to buy products.****Packaging & Shipping**

To better ensure the safety of your goods, professional, environmentally friendly, convenient and efficient packaging services will be provided.

Outdoor Projection Box ,
Product design
CAD drawing for approval
Swimming pool options for extreme humidity and heat,
High humidity – Cave systems/underground/tunnel options for damp environments,
Portrait, landscape or inverted
Any number of doors,
Thermal insulation,
Any mounting i.e. uni-strut or M8 threaded studs,
Any RAL colour finish,
Any orientation - Vertical, landscape or portrait,
Any IP rated cable entries. eg: Data, HDMI , SDI

Company Information

"Our outdoor projector housings are made of high-quality panels, coated with rust-proof and corrosion-resistant treatment on the surface. They feature functions such as waterproof, dustproof, moisture-proof, corrosion-resistant, constant temperature and humidity control, cooling, dehumidification, and heating. The products can be applied in outdoor cultural tourism, city night tours, advertising, exhibitions, and other fields, protecting projectors for safe operation in harsh outdoor environments and extending the product lifespan.

Our outdoor projector housing products have passed IP65, IP66, POHS, and EMC tests, demonstrating stable performance and excellent quality. We also offer personalized customization services, tailoring outdoor projector housing products and solutions according to customer needs and requirements.

Within our business scope, we have cooperated with major projector distributors such as Optoma, Panasonic, Barco, Christie, Autocue, Leyard, Epson, NEC, Christie Digital, Hisense, Sim2, ViewSonic, and Vivitek, providing them with solutions for various outdoor projection projects. Our professional team has extensive experience and technology to offer customers comprehensive technical support and services."

Our Services

We have a professional R&D team and advanced production equipment, dedicated to providing customers with high-quality, high-performance outdoor projector housing products and solutions.

FAQ
