

Factory Price 1500W 220V 50Hz Industrial Air Conditioner Cabinet Air conditioner

Our Product Introduction

for more products please visit us on projector-cabinet.com

Basic Information

- Place of Origin: Shenzhen City, Guangdong Province
- Brand Name: shirui
- Model Number: Non-standard customization
- Minimum Order Quantity: 5
- Price: Negotiation
- Payment Terms: T/T

Product Specification

- Oem Odm: Yes
- Auto Restart: Yes
- Operating Voltage: 220v
- Energy Efficiency Rating: A+
- Machinery Test Report: Provide
- Dehumidifying Function: Yes
- Operating Temperature: -20~55 °C
- Power: 400W
- Highlight: Cabinet Air Conditioner, water cooled air conditioner, air conditioner condenser unit

Product Description

Panel Cabinet Air Conditioners For Cooling Industrial Machine

Product Description

Cabinet air conditioner is different from the traditional commercial and household air conditioning. With extremely high SEER, moisture condensation active control and other cut-edge technologies, it protects power and electronic equipment by providing precise temperature and humidity control. Since the product design and installation are originated from household air conditioners, it can be widely deployed in telecommunication outdoor base stations, power state outdoor cabinet, outdoor LED screen, where require the temperature level below than 35 degree situation. SANDA provides the DC and AC power input type products according different power input.

Industrial air conditioners features:

- * Strict process control and famous brand components to ensure high quality and reliability of this product;
- * Fit for harsh condition (T3), R134a refrigerant ;
- * Multiple self-protection design , RS485 communication port (MODBUS-RTU protocol);

Technical Data:

Company Information
