

AC220V 800W Telecom outdoor cabinet air conditioner

Our Product Introduction

for more products please visit us on projector-cabinet.com

Basic Information

- Place of Origin: Shenzhen City, Guangdong Province
- Brand Name: shirui
- Model Number: Non-standard customization
- Minimum Order Quantity: 5
- Price: Negotiation
- Payment Terms: T/T

Product Specification

- Auto Restart: Yes
- Machinery Test Report: Provide
- Power: 400W
- Energy Efficiency Rating: A+
- Dehumidifying Function: Yes
- Operating Temperature: -20~55 °C
- Oem Odm: Yes
- Operating Voltage: 220v
- Highlight: Cabinet Air Conditioner, water cooled air conditioner, air conditioner condenser unit

Product Description

Cabinet air conditioner is different from the traditional commercial and household air conditioning. With extremely high SEER, moisture condensation active control and other cut-edge technologies, it protects power and electronic equipment by providing precise temperature and humidity control. Since the product design and installation are originated from household air conditioners, it can be widely deployed in telecommunication outdoor base stations, power state outdoor cabinet, outdoor LED screen, where require the temperature level below than 35 degree situation. SANDA provides the DC and AC power input type products according different power input.

Industrial air conditioners features:

- * Strict process control and famous brand components to ensure high quality and reliability of this product;
- * Fit for harsh condition (T3), R134a refrigerant ;
- * Multiple self-protection design , RS485 communication port (MODBUS-RTU protocol);

Technical Data:

机器型号	Model		HW800G-D
制冷量	Cooling Capacity	W	800(L35 L35)
		Kcal	688(L35 L35)
工作电压	Rated Voltage	V	AC220V/50Hz
额定电流	Rated current	A	2
额定功率	Rated power	W	440
工作温度范围	Working Temperature	℃	-20 ~ 55
电加热功率	Add heat (optional)	W	500(选配)
制冷剂	Refrigerant		R134a
噪音	Noise	dB(A)	60
重量	Weight	KG	28KG
外形尺寸	Dimensions WxDxH	mm	650 × 196 × 455(含法兰)

Hainan shirui technology co., ltd is a sheet metal processing company that mainly focuses on solutions for outdoor projector protective box solutions. it also provides sheet metal processing such as outdoor network cabinets, projector pan-tilts, and shell waterproof boxes! The company has been committed to providing these outdoor use solutions for major projector manufacturers and project integrators. The products are suitable for various outdoor scenes such as cultural tourism night tours, garden landscaping, 3D mapping, architectural projection, water curtain projection, mountain projection, cave projection, theaters, exhibition hall displays, etc.

Our Services:

We have a professional R&D team and advanced production equipment, dedicated to providing customers with high-quality, high-performance outdoor projector housing products and solutions.

1. who are we?

We are based in Guangdong, China, start from 2014, sell to Domestic Market(5.00%), Southeast Asia(3.00%), Mid East(2.00%). There are total about 11-50 people in our office.

2. how can we guarantee quality?

Always a pre-production sample before mass production;

Always final Inspection before shipment;

3. what can you buy from us?

Outdoor projector housing, Projector protective box, Projector waterproof box, Outdoor network cabinet, Sheet metal processing

4. why should you buy from us not from other suppliers?

We have an independent design and R&D team and 10 years of industry experience.

5. what services can we provide?

Accepted Delivery Terms: FOB, EXW;

Accepted Payment

Currency: USD, EUR, JPY, CAD, AUD, HKD, GBP, CNY;

Accepted Payment Type: T/T;

Language Spoken: English, Chinese

6. Where can I get product & price information?

A: Send us an inquiry e-mail, we will contact you as we receive your mail.
